About Yuva Darpan

Rotaract Club of Belgaum Yuva Darpan was chartered on 25th August 2020 with a motive to aspire to inspire. On 31st October 2020, Rtr.Preeti Mannikeri was installed as charter president and Rtr.Arpana Ninganure as charter secretary along with their office bearers for RCBYD. As the Yuva Darpan name suggests, it simply means YOUTH IS THE MIRROR OF SOCIETY. Our motive is to positively influence a youth into action and make a small change.

Currently the club is headed by Rtr.Prathamesh Joshi and Rtr.Namita Rajaput as president and secretary respectively along with their Office bearers for the year 2022-23. The theme for the year is "NISHTA – Dedication for Community" which implies our depth of commitment, our quality of service, the product of our devotion because in the end all these things are what counts in our life.

We started our club with 20 members and currently we have a strength of 55 members filled with enthusiasm and determination.

Rotaract Club of Belgaum Yuva Darpan makes sure that all the members of the club are given equal opportunity and are acknowledged.

RCBYD provides a platform and considers every member's interest in each avenue.

As the saying goes "With Great Power comes great responsibilities", Yuva Darpan has never backed out from any responsibility and will continue to take more responsibility and have a successful year ahead. Once a Darpanite always a Darpanite!

DEDICATION FOR COMMUNITY

DRR's Message

Namaskar Rotaractors!

Warm Rotaract Greetings to everyone!

Time just flies and we are half way through this RI Year. A lot of our dreams are already conquered and a lot is yet to be conquered. Now is the time we shift to higher gears and just throttle our way forward.

Rotaract Club of Belgaum Yuva Darpan this year has seen an amazing performance this year, be it the quality projects, or the participation in zonal/district projects. You have ensured your presence is significantly noted. Me being the part of this club since its charter process as the ZRR, I am thoroughly overwhelmed and equally proud to see the journey and all its progress so far.

This year in specific has been one of the best years and under the dynamic leadership of the president Rtr. Prathamesh Joshi. The growth in club's membership says it all. His vision and dedication for the club definitely has the potential to take it to greater heights. But as I spoke in your club Orientation, running a club is not a 'one man's show'. It's you the members who have to make the dream happen. A good leader is no good without a good team that being said it's every individual members responsibility to ensure that the club keeps thriving.

Come up with projects that solve the real time problems of the society and not by the conventional way but an innovative way. Youth is the future of our country. Come up with ideas to inform, educate & empower them. Not everyone is as privileged as we are so reach out to the marginalised sector and ensure they get equal opportunities. In the end, it's not the quantity but the quality of projects that counts. The impact that you made counts.

Last six months have been amazing, and we can't slow down here. The next six have to be equally amazing or even more for that matter. Consistency is the key.

Wishing you all the best of wishes to dream more and to dream bigger.

Happy Rotaracting! #dreamhustleconquer.

Yours in Rotaract,

DRR Rtr. Aniket Satish Jadhav

Rotary International District 3170

President's Message

Hello Everyone

It gives me immense pleasure to have been part of this journey of releasing an Half yearly bulletin for the club. Elbert Hubbard said,

"Men are rich only as they give. He who gives great service gets great rewards" As the motto of Rotaract goes, Fellowship through service- It's easy to make a buck, but it's tougher to make a difference in the world. The difference can only be brought by spreading awareness and encouraging the issues and solving them with serving the humanity. I proudly announce the release of our first bulletin "Insperia"- The Key to our service. This bulletin covers major events which showcase our idea of service and will serve the purpose of encouraging mankind to step up for service. "What you do has more impact than what you say"

Thanks and Regards,

Secretary's Message

Warm Rota Greetings,

Welcome to the first ever edition of our Half Yearly Bulletin Magazine! Insperia: The Key to our Service. As the Secretary of Rotaract Club of Yuva Darpan, I take the pride to be part of this exciting journey of Rotaract, moreover to be part in the process of releasing our first magazine. This magazine not only showcases the events that have been conducted in the past months, but also hopes to inspire anyone that comes across it.

As the famous saying goes, "Alone we can do so little, together we can do so much." With this I would like to congratulate every team member who have contributed to this magazine.

It's been an amazing experience being part of this bulletin. Motivation is one thing which lacks when it comes to service, just a small push will do the job. Hope so our bulletin helps you for that extra 1% - 2% and you join us in addressing more issues and helping more people.

Thanks and Regards,
